Template:Star

> The printable version is no longer supported and may have rendering errors. Please update your browser bookmarks and please use the default browser print function instead.

This template creates a star menu inside a light-box.

Example usage:

```
{{Star|{{#linktree:3|A|B|C}}}}
```

Where "3" is the number of levels the link-tree should display to, and "A", "B" and "C" are titles that should be excluded.
